

## Resumo das instâncias

The screenshot shows a text editor window with a menu bar (Arquivo, Editar, Formatar, Exibir, Ajuda) and a text area containing a list of employee instances. Each instance is a line of four numbers. Three callout boxes are present:

- Número de funcionários**: Points to the first line of the list.
- Número mínimo de funcionários em cada turno**: Points to the first two numbers of the first line.
- Dias escolhidos para folga por cada funcionário**: Points to the last two numbers of the first line.

The list of instances is as follows:
